

# IS THE WORLD READY FOR NUCLEAR JIHAD?

**MICHAEL D. EVANS** is the author of eighteen books, including the *New York Times* bestsellers *Beyond Iraq: The Next Move* and *The American Prophecies*. He has been a confidant to Israeli leaders for decades. Evans has appeared as a Middle East expert on hundreds of radio and television shows, including *Good Morning, America*; *Fox and Friends*; *Hardball*; and *Nightline*. He is an award-winning journalist. His articles have appeared in hundreds of newspapers including the *Wall Street Journal*, *USA Today*, the *Washington Times* and the *Jerusalem Post*.

Prime Minister Ehud Olmert said, "Mike Evans is a personal friend of mine. His efforts at peace conferences and the UN have earned him great respect and admiration."

According to former Prime Minister Benjamin Netanyahu, Evans "has consistently demonstrated the moral clarity that is necessary to defend Israel from the lies and distortions of its enemies."

**JEROME R. CORSI**, Ph.D., author of *Atomic Iran* and founder of the Iran Freedom Walk, has written and coauthored many books and articles. He has appeared on Fox News, CSPAN, and MSNBC, and has logged hundreds of radio interviews about the geostrategic concerns regarding Iran's nuclear ambitions.

*Showdown with Nuclear Iran* is a gripping and detailed exposé of Iran's relentless pursuit of atomic weapons and its apocalyptic goal of wiping Israel off the face of the earth. Michael D. Evans, who has been working in the Middle East for the last three decades, cuts through the official lies and deceptions of the Iranian government and reveals in terrifying detail:

- how close the radical Islamic republic is to fulfilling its nuclear ambitions
- how Iran's president believes he has a divine mission to destroy Israel and cripple the United States in a nuclear holocaust
- and what America must do to avert this global disaster

With the Middle East poised at the brink, *Showdown with Nuclear Iran* provides much-needed perspective on the current crisis and the dire threat that a nuclear Iran poses to the existence of Israel and global stability.

*"The most detailed account of the Iranian regime's determination, policy, and plan to acquire military nuclear capabilities. Mike Evans delves into the roots of the Iranian revolution and explores Iranian history to better understand a major challenge to the western world. He compellingly analyzes policy options for confronting this threat."*

*"Israel must be wiped off the map."*

—IRANIAN PRESIDENT MAHMOUD AHMADINEJAD

Such a radical statement might seem like bravado and bluster, but the Iranian connection to the rocket attacks on Israel in July 2006 make it crystal clear that the Islamic republic has every intention of following through with its threats of total destruction. Most troubling of all, Iran is pursuing nuclear weapons with reckless determination as part of its mission to annihilate Israel, which Ahmadinejad calls a "stain of disgrace" in "the Islamic world."

In this riveting and bracing book, Michael D. Evans explains:

- how Iran's current destructive mission is tied to its religious beliefs about the Twelfth Imam and the end times
- how Iran has nearly achieved building a nuclear warhead by defying world opinion and spurning compromise with the West
- how Iran has rejected peace and embraced proxy wars with Israel in preparation for open confrontation
- how Iran's strategic partnerships with Russia, China, India, and Pakistan make united efforts more precarious for America and Israel

*"This is a terrifying book that US and foreign policy makers should read, along with the interested and concerned citizen. The book starts with a chillingly accurate fictional scenario which has all too high a probability of occurring. It then goes into the inner workings of Iran, its aggressive and fanatical ambitions, and the potential impact on the Middle East, the United States, and the rest of the world."*
